## **Provisional list of National Competent Authorities (NCAs) for the Carbon Border Adjustment Mechanism**

The implementation of the Carbon Border Adjustment Mechanism (CBAM) requires the involvement of the National Competent Authorities (NCAs) of the 27 EU Member States as from 1 October 2023, in accordance with Article 11 of the Regulation (EU) 2023/956 of the European Parliament and of the Council of 10 May 2023 establishing a CBAM.

NCAs are responsible for granting authorisation to the importers established in their Member State to access the CBAM Transitional Registry.

The CBAM Transitional Registry has been developed by the Commission to help reporting declarants report as part of their CBAM obligations. It is accessible to reporting declarants here: <https://cbam.ec.europa.eu/declarant>. It will be fully operational on time for importers to start submitting their first CBAM report as from 1 January 2024.

The Commission will regularly update this provisional list of NCAs as they are notified by Member States. This list will also be made available in the CBAM Transitional Registry. The Commission will publish the final list of NCAs in the Official Journal of the EU.
